

RED FOREST JEWEL

Hemichromis lifalili

Pairing fish. Needs hiding places. Keep with fish bigger than the Jewels. One of the brightest freshwater fish when in breeding colour: both sexes becoming bright red. A very robust species.

Disclaimer: The information provided here is of a general nature only. There are site specific factors that are not addressed here that may also affect the health and well being of your fish, as such Coburg Aquarium will not be held liable for the performance of your fish.
