

RUMMYNOSE TETRA

Hemigrammyus bleheri

ADDITIONAL COMMENTS

Very popular community fish, looks great in a school, particularly against a darker substrate. Can be sensitive, so use water conditioners and ensure tank is well filtered, avoid water chemistry extremes.

Disclaimer: The information provided here is of a general nature only. There are site specific factors that are not addressed here that may also affect the health and well being of your fish, as such Coburg Aquarium will not be held liable for the performance of your fish.
