KEEPING SNAPSHOT

Difficulty:	Beginner
Max Growth Size:	15cm
Temperament:	Shy.
Licensing:	N/A

HABITAT

Heating:	Room temperature. No heat source required.
Lighting:	Not required, but keep them in a well-lit room to simulate day and night.
Environment:	The enclosure needs a secure lid, as geckos are excellent climbers and can even scale glass. Sandy substrate. Provide hiding places and branches for climbing.

RANGE

Southern parts of Australia.
