

WHITE CONVICT

Cryptoheros nigrofasciatus

Convicts are one of the easiest Cichlids to breed and they are excellent parents, vigorously defending their fry even from much larger fishes. Provide plenty of hiding places.

Disclaimer: The information provided here is of a general nature only. There are site specific factors that are not addressed here that may also affect the health and well being of your fish, as such Coburg Aquarium will not be held liable for the performance of your fish.
